BellaSpark Mission

Our mission is to help ignite and empower individuals and communities in their growing spiritual awareness, by providing access to consciousness-raising ideas, people and information. To achieve this we gather people together for world-famous speakers and hands-on workshops. We know that by reaching small groups we can begin a chain reaction of change that leads to larger, growing networks of people who have been "ignited."

BellaSpark Productions proudly announces an all-star lineup for its 2008-09 lecture series *The Extraordinary People Series*, including Marianne Williamson, Debbie Ford and Michael Beckwith. It is dedicated to bringing the world's leading authors, speakers and lecturers to Northern Colorado. The lecture series, now in its fourth year, has been immensely successful and continues to attract the biggest names on the nation's holistic and metaphysical lecture circuit.

BellaSpark Productions also publishes a magazine called "The Healing Path" to share cutting edge articles and research on spirituality, holistic health, earth consciousness and green living, to reach out to even more people who are searching for ways to improve their life and perspective.

Why become a BellaSpark Sponsor?

Because you are part of the evolutionary solution that will one day bring about a positive change in the world. We regard our sponsors as indispensable partners in bringing the vision and message of inspiration to the largest possible audience.

About BellaSpark Productions

In August of 2003, Donna Visocky attended a Compassionate Friends meeting and was approached by a woman who said, "Your daughter was standing behind you all night long; and she's a beautiful girl." Donna's 21 year-old daughter Kristi had died in a car accident just two months earlier, and Donna was still searching for a way to deal with her grief, as well as carry on Kristi's memory. She was intrigued, and finally booked an appointment two months later with Debra Becker, the medium and angel reader who first saw Kristi, to try and satisfy the agonizing need to reconnect with her daughter.

Not only did Debra help her connect with Kristi, but she introduced Donna to Angels and a whole new dimension of spirituality and about life beyond the earth plane. Always open to new ideas, Donna read book after book, looking for answers, looking for spirit, looking for peace. Moved by what she learned, as well as by the stories of everyday people who also had experiences to share, Donna felt compelled to share these inspiring messages with others.

And when searching for the next step in her journey it suddenly became clear; Kristi would guide her way. Kristi had opened the windows of Donna's mind to the wonders and blessings of the universe – and the realization that our earthly experience is just a small blip in the journey of our souls. Kristi was an incredibly beautiful soul, filled with compassion and concern for those less fortunate. Even as a small child she stood up for the underdog and railed against the injustices in the world. She was fiery and passionate about creating change – she was a beautiful spark!

And so began the journey, and the birth of BellaSpark Productions.

Now BellaSpark Productions, LLC is in its fourth year of producing the Extraordinary People Series events dedicated to bringing many of the world's top spiritual and motivational speakers and authors to northern Colorado and Seattle; each with a message of hope, inspiration and love. The Bella Spark mission helps to ignite and empower individuals and communities in their growing spiritual awareness by providing access to consciousness-raising ideas, people and information.

The members of BellaSpark Productions, LLC have over 20 years of experience in non-profit work, business management and event planning, and are committed to offering the very best in motivational workshops, seminars and events. Owner and founder Donna has trained her entire life for this role, and BellaSpark events are just the beginning of the impact she intends to make on this world.

Proceeds to Benefit Kristi's Fund

A portion of all proceeds from BellaSpark Productions events go to support the Kristi Visocky Memorial Fund, a.k.a. Kristi's Fund. Determined to keep alive the spirit and compassion of a young woman who was a strong champion of the underdog and supporter of troubled youth, Kristi's Fund was set up to provide scholarships and assistance to area young women. The women who have benefited from the Kristi Visocky Memorial Foundation Scholarships are the very types Kristi supported: young, displaced girls and single moms, working to pull their life back together and create a better life for themselves or their families. To date Kristi's Fund has awarded \$63,000 in scholarships. www.kristisfund.com
