FOR IMMEDIATE RELEASE:

Marianne Williamson
Author, Spiritual and Philosophical Guru and Political Trailblazer
Guest Speaker for the 4th annual *Extraordinary People Series*

FORT COLLINS, CO, September 29, 2008: Ready, set, get inspired! BellaSpark Productions, LLC continues the Extraordinary People Series on **October 10, 2008** with Marianne Williamson--spiritual trailblazer and author of ten books including five New York Times Best Sellers. As a regular guest on Larry King Live, Oprah, Good Morning America and Charlie Rose, she has made spiritual thinking and self-discovery part of the mainstream; enlightening people worldwide on how to get in touch with their own spiritual nature and true passion.

Living Miraculously: Integrating spiritual principles into daily living

Living miraculously is more than an idea. It's a practice. Marianne will share with the audience ways to align with your life's highest purpose, and begin to live your life in a fulfilling way that just comes naturally. Find out your part in God's plan and discover the power and passion within the largest context of global healing. Using "A Course in Miracles" as a base, Marianne will explore how specific spiritual principles uplift your mind, how God's love can help break down blocks and barriers, and why forgiveness is the key to inner peace.

Marianne is also famous for the following quote: "Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that frightens us." This is the crux of all of her work, as she strives to help others get in touch with their inner light and live true to their passion and purpose.
